QUERCEFIT®

QUERCETIN INDENA PHYTOSOME®

AIM AT INFLAMMATION HIT MULTIPLE TARGETS, NATURALLY

Balancing the body's inflammatory response can support healthy aging, immunity, and relief from fatigue: that's the key to Quercefit®'s beneficial cascade effect. Scientifically proven to modulate NF-κB leveling and control COX and LOX activation and cytokine production, Quercefit® derives quercetin – a flavonoid with anti-inflammatory properties – from *Sophora japonica* L. and optimizes its biological absorption with Indena Phytosome® delivery technology. All made with strong commitment to sustainability, in a certified ISO 14001 and ISO 45001 plant where CO₂ emissions are reduced, the energy transition is underway, and occupational health and safety are a priority. Discover Quercefit® to aim higher.
