## **INDENA PHYTOSOME®**

PRODUCTS FORMULATED WITH INDENA'S  
PROPRIETARY MULTI-TALENTED TECHNOLOGY PLATFORM

## **OUR MISSION**

At Indena we believe that an in-depth knowledge in active ingredients derived from botanicals and the search for excellence at all times are crucial commitments to serving our customers in pharmaceuticals and nutraceuticals.

Research and production technologies are the main focus of our mission and the way we create a "value difference" for our partners.

And we've got over 100 years of experience to prove it.

**Excellence in botanical derivatives**

# INDENA RESEARCHES, DEVELOPS AND MARKETS ACTIVE PRINCIPLES AND INGREDIENTS DERIVED FROM MEDICINAL AND EDIBLE PLANTS

PACKAGING MATERIALS | Food grade polyethylene bags, multilayer bags | Kraft type cardboard drums, metallic drums, polyethylene drums, polypropylene pails (UN approved drums are used for hazardous products)

Please note this documentation is available for various Countries all over the world and hence it may contain statements or product classification not applicable to your Country. The claims made are in reference to ingredients only, hence they do not refer to finished products and they may not comply with Regulation EC n. 1924/2006 or other provisions in place in your Country. These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure or prevent any disease. Marketers of any finished product containing any ingredient are responsible for ensuring compliance with all applicable laws and regulations of Countries where the finished product is sold.

The ingredients described herein are offered for consideration for use in nutraceuticals.
